

### Double-Sided Journaling with Quotes!

What topic have you decided to read and learn more about today? \_\_\_\_\_

<p><b>Copy the quote or parts of the quote that are the most helpful to you. You must also correctly write the “in-text” citation, too!</b></p>	<p><b>On this side, write your own thoughts, questions, or ideas about that quote. You don’t have to use complete sentences.</b></p>
<p><b>Example:</b></p> <p>According to Elie C. Orgel in her online article about dog ear infections, “There are three kinds of ear infections—otitis externa, media, and internal—affecting different parts of the canine ear.”</p>	<p><b>Example:</b></p> <ul style="list-style-type: none"> <li>- I didn’t know there were different types</li> <li>- looked it up: externa is outer ear, media is middle ear, internal is inner ear</li> <li>- I wonder which part of my dog’s ear the infection is really coming from? Gotta research that next!</li> </ul>

Use your own paper or the back if you need more space!
