

Parallelism That Matters

You see 10 quotes here that each use parallelism in powerful ways. Number a separate piece of paper 1 - 5 and choose any five of these quotes. Copy them and explain the meaning of the quote in your own words. **Explain** how parallelism adds strength and power to the original quote. Remember that parallelism can appear through the use of repetition, or through gerunds, infinitives, or participles.

**WINNING ISN'T
EVERYTHING,
BUT WANTING
TO WIN IS.**

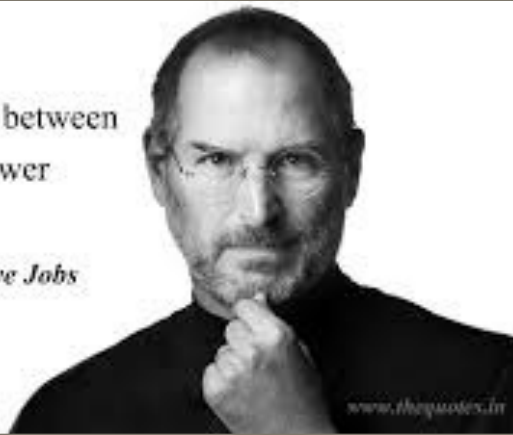

~vince lombardi

It's not enough
to speak, but
to speak true.

- William Shakespeare

Innovation distinguishes between
a leader and a follower

Steve Jobs
