Expository Purpose

	Dr. Williams Passage	Trip to Alaska Passage	Burping Passage
Copy words or phrases that help you infer the author's feelings about the topic. (Think of the voice and the tone).			
What pattern of organization (aka text structure) do you notice?			
Are there any extraneous details you think aren't necessary? Or is there something you'd like to know more about?			
Try to write a summary in two sentences.			
What seems to be the most likely purpose of the passage? Explain? Describe? Inform? Persuade?
